

Dear ACPELIA Team,

We extend our heartfelt thanks for our participation in the Erasmus+ project titled "cREating a Safe sPacE for inClusiviTy, sexual and ReprodUctive non-forMal education for youth workers: reSPECTRUM". Your collaboration has immensely benefited our organization, SENSE, and has had a positive impact on our community.

Participation in this project provided us with the opportunity to engage locally, with over 40 participants, 11 of whom were visually impaired. We are pleased to share that your support has been instrumental in making our community more aware and educated on the subject matter of the project.

Furthermore, your participation has enriched the skill set of our Youth Workers, making them better prepared for future challenges. We would also like to acknowledge that this project gave us the chance to grow as an organization and to expand our network.

Once again, we express our sincere appreciation for your role in this project. We look forward to more collaborations that drive meaningful change.

Best regards,  
SENSE
